Without the very generous support of our members, sponsors and our volunteers – the Balnarring Picnic Racing Club would not be the wonderful day out that it is for families and punters alike. Each year they selflessly give their time, effort and sponsorship.

Balnarring Picnic Racing Club acknowledges the Bunurong peoples of the Kulin Nation as the traditional custodians of the lands upon which we gather and pay our respects to their leaders past, present and emerging

Presidents Report

Season 2020 / 2021

I have great pleasure in presenting the Annual Report for the 2020 / 2021 season. This has certainly been the most challenging season in my time with the club. The COVID -19 pandemic has challenged not only the club but everyone in day to day living.

We lost our first meeting owing to the pandemic and our remaining five meetings were carried out under strict protocols. The amount of "back room" work that was undertaken to ensure the meetings went ahead was

staggering. I must thank Lesley Jones and Graham Sherry for the countless hours they put in ensuring the paperwork was as required for the meetings to go ahead. We met all responsibilities and having a bumper crowd on the 26th January showed that we were on the right track. The 2021 Balnarring Cup was taken out by So Able, ridden by Maxwell Keenan and trained by Shane McCusker. It was the first ride of the season for Max and it was a very popular win. Our Caring for the Community programme was affected by the pandemic but we did assist the Racing Hearts Organisation with a donation. We will continue with this programme in the coming season.

At this stage I would like to thank my committee for their continuing work that they do to ensure that the club runs successfully. We are fortunate that we have people who can turn their hand to many tasks which keep the club running smoothly.

We have had two of our long serving committee men retiring this year. Peter Spyker served for over 20 years most of the time as President. His leadership, work behind the scenes and dedication to the club will be missed. Bob Whelan served on the committee for over 15 years and on race day Bob was clerk of scales, a job he will continue to perform. We thank these two gentlemen for the amount of time and effort they put into the club and we will welcome them at the races.

Again our raffle ladies were active at each meeting selling tickets in the \$500 raffle. Thank you Lynne and your helpers for the contribution you make to the club.

Thanks also to Rachel Rowe and Winnie O`Neill for looking after our website and social media. This area is such an integral part of our club and the way we communicate with the members and public.

Can I also thank our sponsors and community partners for your continued support. These are challenging times for us all and we thank you for sticking with us.

There are numerous other volunteers who assist the club throughout the year in various ways. Thank you again for your ongoing support which greatly assists the running of the club.

In conclusion thank you to everyone for their continued support. We live in very different times and we are still uncertain as to when we will resume racing however we will be ready to go when we are given the green light.

SPONSORS & PARTNERS

The Balnarring Picnic Racing Club Inc. gratefully acknowledges the strong support received from our Sponsors and Partners during the 2020-2021 racing season and we strongly recommend that members and patrons support them at every opportunity.

26th JANUARY AT BALNARRING

The Twenty-Sixty of January sees the Club run the Balnarring Cup, a day of legends spanning back more than 150 years, a “must do” thing for many people who return year after year.

As COVID-19 restrictions continue to ease in Victoria the club had applied for 5000 people to attend our cup meeting and hoped to make the day even more memorable for Members and patrons.

This year's cup was sponsored by OTI Racing and Blood Stock

Won by So Able, ridden by Max Keenan and trained by S McCusker.

Ringwood Highland Pipe Band

The beginning of racing at the Balnarring Picnics is usually heralded by the sound of the pipe band on the straight however due to COVID we were restricted to activity and the Ringwood Highland Pipe Band were not to be deterred by putting on an excellent performance on the mound!

The band was awesome and contributed to a very successful day at Balnarring.

BALNARRING PICNIC RACING CLUB LEADING RIDER & TRAINER AWARDS

The meeting saw a thrilling finish to the leading rider and trainer awards. There is a rider and trainer of the day at each Balnarring race meeting; points are awarded on a three, two, one basis, first, second, and third. Leading points at end of day judged the winner. At the end of the season the rider and trainer with the most points will receive the Balnarring Rider or Trainer of the Year award.

PUNTERS CLUB

The punters club has proven to be a popular attraction for punters and a great way to get friends together. At each of our meetings this year the pool has grown and in most cases there was a return to the participants. Special thanks to our Punters Club Hero John Archibald (Archie) for arranging and running the punters club.

FAREWELL TO A COUPLE OF OUR LEGENDS

L: PETER SPYKER AM
Past President

C: Club President
Terry Mulcahy

Bob Whelan

Thank you to outgoing board members Peter Spyker and Bob Whelan. Sadly we must say goodbye to two individuals who have served on our committee and been integral members of our club for 20 years or more.

Peter Spkyer, a Life Member and past President. Peter has been a member since 1989 and worked closely with long time Secretary Neil Heathcote and Committee members to oversee the development of the Club and its facilities to the entity that is enjoyed today by members and patrons. Achieving today's ambience and facilities has necessitated significant change and development overseen by Peter and are a credit to his efforts over a long period Peter was made a Member of the Order of Australia (AM) in the 2006 Australia Day Honours for "service to the Victorian Parliament, particularly as a contributor to the development of multicultural affairs policies and as an advocate for consumer rights, health and welfare services, and migrant communities.

Bob Whelan; Bob is very well known by the racing community on the Mornington Peninsula through his involvement as an employee of the Melbourne Racing Club and with our Committee since 2004. Keenly interested in racing he is a fixture in the mounting yard on race days coordinating the issue of saddlecloths and ensuring that all is organised as riders and other connections prepare for races. His knowledge and experience in performing these tasks and other jobs at working bees in preparation for race meetings are of great assistance to the Club

Missing from the committee but will still be at Balnarring on race day!

COMMUNITY INVOLVEMENT

Balnarring Picnic Racing Club under our “Caring for the Community Programme” sets aside an amount of money every racing season to be distributed amongst charity and community groups which demonstrate the need for assistance, and which otherwise may not have the exposure to command widespread community support.

EQUINE ASSISTED THERAPIES

Psychology - Counselling - Psychotherapy

WWW.RACINGHEARTS.COM.AU

 @racingheartsaus

 @racing_hearts_therapy

The pandemic restricted our program this season however on Easter Saturday we were lucky enough to award \$1,000 to Racing Hearts.

Racing Hearts (Founded in 2018) is an Equine Assisted Therapy practice based in Moorooduc on the Mornington Peninsula in Victoria, just under an hour from Melbourne. The practice is based at Graybrook, a 30 acre purpose built property with multiple paddocks

containing horse shelters. The property also has a dedicated sand arena for horse training and for Equine Assisted Therapy Sessions and also incorporates a farmhouse.

As an Equine Assisted Therapy practice, Racing Hearts is proud to be first of its kind in Australia, not only offering Equine Assisted Therapy to humans, but also rehabilitating retired racehorses to act as “assistant practitioners” as well as helping them find new homes and a new life after racing. To date we have rehabilitated more than 100 retired race horses working with Racing Victoria with a large focus on their Reset Program which caters to horses with special needs.

Currently Racing Hearts has a number of human staff members with a large range of qualifications and experience in the mental health sector ranging from counsellors and mental health nurses to clinical psychologists. We also have non-human staff members (horses) who are all different shapes, sizes, and temperaments to suit any client need or experience.

Fashions on the Field

On Easter Saturday we held our Fashions on the Field. This year we had a large group of entrants and I would like to congratulate everyone for dressing up for this memorable day. A lot of work goes into coordinating and pulling together a Fashions On The Field event. A big thank you to our committee members Tate and Kate and volunteers who organised the fashion parades and many other activities that kept everyone in the mood.

Thank you to everyone for being part of the party mood and dressing up.

MEMBERSHIP

Membership is not simply a 'fee for service' to attend race meetings. The Club belongs to its members, and we are all custodians for the benefit of all members, current and future.

The contribution to the Club's revenue from membership fees is very significant; it ensures that the Club and the business of manage the track retain a healthy financial state. Members are urged to continue their support by renewing promptly and should the opportunity arise, to encourage others to become members.

Some Benefits of Membership: The member's car park is located in a prime position with easy access and affords the opportunity of being able to park right on the rail for excellent view of the horses racing. Toilet facilities for both ladies and gentlemen are conveniently placed in the nearby clubrooms, with all betting facilities a few metres away. Free tea and coffee, television coverage of all major meetings as well as the local races are shown in the club room and entrance to Red Hill Football Netball club home games.

We have an exclusive Prize Draw at each meeting for members who attend on the day. In 2020-2021 we had some great race day prizes:

\$100 Bookmaker vouchers donated by oncourse bookmakers.
The Arthur Seat Eagle Chairlift Passes
Rosebud Country Club – Round of golf with carts
Peninsula Hot Springs Off-Peak Bathing Passes
Peninsula Club - \$100 Food & Beverage vouchers
The Epicurean Red Hill - \$150 Food & Beverage vouchers
Many Little - \$150 Food & Beverage vouchers

Without the support of our sponsors it would be very hard to deliver a successful race day. All of our sponsors are listed elsewhere but I thank you one and all for your support of the club.

Special thanks to the team who work to keep our Members Reserve and gardens looking so lovely every meeting.
